Table of Tables

Table 1.1	Document Schedule	1
-----------	-------------------------	---

1 Document Schedule

1.1 Purpose

- 1.1.1 This Document Schedule has been prepared by Tidal Lagoon Swansea Bay (TLSB) Plc to support a planning application under the Town and Country Planning Act 1990 (TCPA) which will seek a permission for the 275kV cable route (the 275kV Project) associated with the development of Tidal Lagoon Swansea Bay.
- 1.1.2 The application constitutes ‘major development’ and therefore TLSB are required to undertake statutory pre-application consultation in accordance with the Town and Country Planning (Development Management Procedure) (Wales) (Amendment) Order 2016. As part of the statutory pre-application consultation TLSB must make available the documents or evidence required under the Development Management Procedure. This Document Schedule details the information provided by TLSB.

1.2 Document Schedule

- 1.2.1 Table 1.1 below provides a comprehensive list of the documents provided with this application and the relevant document reference number of that document.

Table 1.1 Document Schedule

ID	Document Title
1	275kV Planning Design and Access Statement
2	Site Location Plan & Cable Route Drawings
4	275kV Cable Route Non-Technical Summary
5	TLSB Project Environmental Statement (ES) (2014)
