Sections 42 and 48 Planning Act 2008

Regulation 3 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009

Regulation 11 Infrastructure Planning (Environmental Impact Assessment) Regulations 2009

NOTICE OF A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER

TO:

Notice is hereby given to you that Tidal Lagoon Swansea Bay Limited (the "Applicant") of The Lypiatts, 15 Lansdown Road, Cheltenham, Gloucestershire GL50 2JA proposes to apply to the Secretary of State for Energy and Climate Change under section 37 of the Planning Act 2008 for a development consent order (the "Application").

The Applicant has commenced pre-application consultation under section 42 of the Planning Act 2008. You are being served with this notice and the preliminary environmental information enclosed with this notice because you are a prescribed consultee within Section 42 of the Planning Act 2008 and Regulation 3 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009, and in accordance with Regulation 11 Infrastructure Planning (Environmental Impact Assessment) Regulations 2009.

The proposed Application relates to the construction and operation of a tidal powered generating station on the seabed south of and connecting to Swansea Docks between the dredged channels of the Rivers Tawe and Neath (the "Project"). The Project is a Nationally Significant Infrastructure Project under section 14 of the Planning Act 2008.

The proposed development consent order will authorise:

- construction and operation of hydro turbines and their housing with a nominal generating capacity of 240MW;
- construction and dredging for a lagoon including around 9.5km of new sea wall and related facilities impounding around 11.5km² of seabed/foreshore;
- electricity transmission infrastructure required for the export of electrical power via Baglan Substation in the County Borough of Neath Port Talbot including cables laid offshore and onshore, electricity step-up facilities and other electricity transmission facilities;
- the compulsory acquisition of land including rights in or over land required for the purposes of the Project, or to facilitate or incidental to the Project; and
- development including plant, equipment and buildings comprised in the Project including:
 - construction sites, lay-down areas, working areas and temporary works and structures;
 - site access, internal site roads, vehicle parking;
 - landscaping;

- tourism, recreation, sporting and visitor amenities and facilities comprised in the Project;
- navigational lighting and safety warning systems;
- operation and control facilities;
- foul drainage provision and surface water management systems;
- permanent and/or temporary changes to the highway network for the Project and other access facilities;
- the application and/or disapplication of legislation relevant to the Project including inter alia legislation relating to the compulsory acquisition of land; and
- such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient.

The Project is an environmental impact assessment development. Accordingly, the Applicant has made preliminary environmental information available in the form of the enclosed Preliminary Environmental Information Report, and a Non-Technical Summary.

A copy of the Preliminary Environmental Information Report may also be inspected free of charge at Suite 6, J-Shed, King's Road, Swansea SA1 8PL, between the hours 1030 and 1700 Monday to Friday, and at the following locations and times:
