CEFAS ¹

* TLSB originally consulted with EA Wales, Countryside Council for Wales and the Marine Consents Unit. This was merged into the new Natural Resources Wales in April 2013 along with other bodies such as the Forestry Commission Wales. NRW now comprises NRW Advisory and the NRW Marine Licensing Team. Since April 2013 all communication has been with both NRW (Advisory) and NRW Marine Licensing Team.

** From April 2013 The Health Protection Agency became part of Public Health England and Public Health Wales.

¹ CEFAS are not a statutory consultee as such but we have treated them in this manner due to their status as an advisory body to NRW.
